COLLEGE *Profile*

Geelong Lutheran College Armstrong Creek (GLC Armstrong Creek) is dedicated to improving the quality of education for all students under its care now and into the future.

It is a Child Safe organisation with a zero tolerance for child abuse and is committed to acting in the best interests of children.

As a school of the Lutheran Church of Australia, we are dedicated to providing an education for our students that is informed by strong Christian principles and underpinned

by the values that make our Lutheran schools across Australia unique. The College endeavours to maintain an established framework of Christian attitudes and relationships which permeate and integrate its entire life and work. This provides a strong basis for the initiative of Lifelong Learning.

This encourages living in community and reflecting characteristics of God through our core values of wisdom, honour and purpose.

Established in 2009, GLC Armstrong Creek is situated in the urban growth area of the City of Greater Geelong, close to the Surf Coast area. GLC Armstrong Creek celebrated its 14th anniversary in 2022. It is a Prep to Year 12 school offering a welcoming, lively and nurturing environment with a focus on providing a quality, Christian education.

At GLC Armstrong Creek, we celebrate the diversity and giftedness of all within our community. Education is a learning journey in which we acknowledge parents, guardians and care givers as primary educators and feel privileged to join in partnership with them through their child's education.

The ministry and mission of the College provides the framework for our student wellbeing, teaching and learning programs. These programs enable us to foster a passion for learning and the holistic development of

each child. Pastoral care is one of the main focuses, integrating personal and social wellbeing and resilience. Our students are challenged to think as global citizens, consider the needs of those beyond their local community and to recognise the responsibilities their education provides as they take their places in work, social and family networks of the 21st century.

OUR *Vision*

Our vision is to be a leading, innovative, Christ-centered learning community that inspires students to be caring, confident and creative citizens.

Through sensitivity to and an understanding of faith, students at GLC Armstrong Creek:

- value themselves so that they are excited by their life journey and inquisitive about their world and its future;
- are alive to the social injustices and the needs of others in our society; and
- are valued as unique and exceptional individuals who make a distinctive contribution to the world around them.

At GLC Armstrong Creek, our three core values are:

- Develop **WISDOM** through knowledge and learning grounded in Christian values.
- Empower students to **HONOUR** and respect themselves, each other and their community.
- Embrace each student's unique talents and abilities to give them confidence and **PURPOSE** for life.

We recently developed a Profile of a Geelong Lutheran College Student which illustrates these values. See page 5.

Further details about the College can be found on our website at www.glc.vic.edu.au.

The College continues the implementation of the 2019-2023 Strategic Vision. This document was developed by the College Council in consultation with the College staff and community. It outlines what we aspire to achieve through the five Strategic Priorities and how we will do this. This Vision provides the road map for the future of our College.

Profile of a Geelong Lutheran College Student

Develop students who extol, **Wisdom, Honour and Purpose**

The **Profile of a Geelong Lutheran College Student** is a framework which hones the opportunities for student growth from a holistic perspective, preparing each student for their post school career and life. Through this, we seek to be 'a **leading, innovative, Christ-centred learning community that inspires students to be caring, confident and creative citizens**'. (GLC Vision Statement)

The College Motto '**Christ is All**' (Colossians 3:11) reflects that, to the believer, life is a living, intimate, everlasting relationship with God Himself. Christ is the only way to that life in which the believer is committed to follow the way of Christ's love in all aspects of living, both on earth and in heaven.

MISSION & *Ministry*

Christian education is woven into every aspect of life at the College. We are proud of our distinctly Lutheran identity.

Central to the mission and ministry of the College is the teaching and learning of Christian Studies. Students from Prep through to Year 12 continued to develop their understandings of Christian faith and religions through weekly Christian Studies lessons. This has been supported by the Lutheran Education Australia Christian Studies Curriculum Framework.

Our weekly chapel service continues to be a focal point for our students, staff and parents. Led by various members of our leadership, the GLC Armstrong Creek Campus Pastor David Spike, students and staff, our worship services are a highlight which continue to allow each student to develop their faith journey. This is supported by staff devotion, morning devotions in classes, student homegroups and opening and closing services during the year.

Staff continue to be enriched in their faith journey through the Equip program for Christian Studies teachers. Teachers of Christian Studies are required to

complete this important program which has been developed by Lutheran Education Australia in conjunction with the Church and schools.

Serving our community continues to be a focal point throughout the College with activities spread across the year levels. We support a number of projects of the Australian Lutheran World Service, which is the overseas aid and development agency of the Lutheran Church of Australia.

STUDENT ATTENDANCE AT GLC ARMSTRONG CREEK 2022

To support student attendance, the College has an Attendance Policy that outlines the roles and responsibilities of the school staff, parents and students.

- Absences are shown 'live' each day via roll marking in SIMON,
- Parents of absent students are notified if communication has not been forthcoming,
- Unexplained or inadequately explained absences will result in communication with parents and students,
- A formal attendance meeting may be organised to resolve ongoing attendance trends and discuss how best to support future attendance and engagement,
- Student attendance and absence figures may appear on student academic reports,
- Aggregated student attendance data is reported to the Department of Education & Training.

PARENT, STUDENT AND TEACHER SATISFACTION

Our College is committed to an ongoing improvement process.

At GLC Armstrong Creek, the level of satisfaction is reported and gained through formal Satisfaction Surveys through the College Newsletter, Parent/Teacher Interviews, Parent Information Sessions, Parent Forums, the College Magazine, Assemblies, Staff Meetings, Annual Reviews and Student Leadership meetings.

The College community enjoys the wonderful support of our parents, guardians and caregivers which is reflected in the important partnership that exists between home and school.

The College regularly reports on events, programs and activities that have a positive impact on the wellbeing of all members of our community. We inform the community of events to build community spirit, recognise excellence and provide incentives for the future.

PARENT FEEDBACK

Our child loves Christian Studies and really enjoys chapel. We have been to the Refresh church service twice which is fantastic. We love the Christian ethos of the school and that it underpins the structure of the school.

PARENT FEEDBACK

Children appear to be able to choose different ways of presenting tasks at different times and in some subjects. My child has been catered for as an individual.

FINANCE & Resources

GLC Armstrong Creek continues to operate based on a sound financial position.

Enrolment growth has been very pleasing in 2022. GLC Armstrong Creek remains focused on providing an affordable Christian education to the local community in the Armstrong Creek urban development area, the Surf Coast and wider Geelong communities.
