Principles

Geelong Lutheran College aims to:

- Assist parents to meet their financial responsibilities.
- Have processes and procedures in place to ensure that a family does not accumulate a large debt that is beyond the ability of that family to repay.
- Offer financial assistance in the form of flexible payment arrangements to help any family facing hardship due to the unforeseen circumstances.

The term "Parents" referred throughout this policy, represents all College parents, guardians and caregivers.

Annual School Fees

All School Fees are set and approved by the College Board on an annual basis. Annual fee revisions are set to be released to parents before the end of the school year.

1 Billing Details

- 1.1.1 The College requires that all parent accounts should be in the name/s of the person(s) that signed the agreement for the enrolment, and or re-enrolment, of their child/ren at the College.
- 1.1.2 The College requires both parents to sign the agreement to accept and maintain a position for their child/ren at the College.
- 1.1.3 Where both parents sign the agreement, they remain jointly and severally responsible for all fees regardless of whether payment is made by only one of the parents, or by any other party. This is the case regardless that the College may permit a split billing arrangement or payment plan to be put in place to assist families in extenuating circumstances.
- 1.1.4 If a parent has an arrangement for an account to be settled by a third party, then the Account will be issued to the parents and they must arrange for the third party to make payment.

2 Change to Billing details

- 2.1.1 Parents are required to immediately inform the College of any change in billing details via the College's Online Payment Portal, for name changes please contact the College's Finance Officer. Application for split billing or change of parent responsibility must be emailed to fees@glc.vic.edu.au. For further information regarding split billing arrangements refer to the Billing and Payment of Fees.

3 Split Billing

- 3.1.1 The College may allow fee accounts to be split between two separated parents where both are responsible for the payment of College fees.
- 3.1.2 Application for split billing must be emailed to fees@glc.vic.edu.au and must be agreed by the parents and supported by a Court Order where applicable. The College will formally advise parents of acceptance of the split fee payment arrangement and the new payment arrangement will apply to the balance of the account as at the acceptance date and for all accounts issued after the acceptance date.
- 3.1.3 When approved by the College, the split fee arrangement only determines the extent to which parents will contribute to the payment of fees. It does not override the enrolment agreement for the purposes of acceptance of financial liability for the payment of fees by the parents.
- 3.1.4 Both accounts from a split billing situation must be paid and finalised as per payment arrangements approved by the College to comply with the Tuition Fee & Debt Collection Policy of Geelong Lutheran College. When an account in arrears applies to only one party in a split billing situation, copies of all written correspondence, sent by the College, relating to the payment issue, will be forwarded to the other party. Any changes to a split fee payment arrangement must be agreed by both parties before any arrangements are changed. If no agreement can be reached with respect to payment of outstanding monies due and payable, the parents remain jointly and severally liable for payment of all amounts owing under the enrolment agreement.
- 3.1.5 Parents are expected to pay all fees in accordance with an approved split billing arrangement or Payment Plan unless satisfactory payment arrangements have been previously agreed to and formally acknowledged between the College and the parents.

4 Court Orders

- 4.1.1 Parents acknowledge and understand that the College is not bound by any Court Orders or Child Support Assessments, Orders or Agreements as between the parents regarding payment of accounts. Further, parents agree to expressly permit the College to obtain a full, complete and unredacted copy of any and all relevant Court Orders and Child Support Assessments, Orders or Agreements as between said parents that relate to any child/ren enrolled at the College.

5 Billing Process

- 5.5.3 While it is acknowledged that changes in marital and family relationships can occur during the period of a child's enrolment, which may lead to a mutually agreed change to College fee responsibility or an agreement to split the fee account, the College regards the acceptance of financial liability under the enrolment agreement and Conditions of Enrolment as legally binding.
- 5.5.4 As such, the College reserves the right to pursue either or both parents with regard to outstanding College fees in accordance with its legal rights. Further, should the matter proceed to debt collection, students may be withdrawn from the College until such time as payment issues are resolved to the satisfaction of the College.
- Note - Non-payment of enrolment fees, tuition and or any other payments or charges, may result in the child's position at the College being terminated (refer also to the Conditions of Enrolment for further details).
